

Shawna will have the post office key until UPRD has possession of the UCC. She will call the Skamania County Sheriff's dispatcher to let them know to call her if there is a problem at the UCC.

8. Marc reported on a film to be shown at the UCC "Living in the Age of Megafires" on May 24. County Commissioner Lannen is the contact, as well as John Hardham, Underwood Fire Commissioner.
9. Marc reported on fund raising and the need to ask the community for donations. There is also a big need for researching available grants. The need for a strategy plan for fund raising was discussed.
10. Ed reported that Thursday at 9 work would be done on the upper room in the front of the building in an effort to make it usable as a meeting place.
11. It was reported that the outside water fountain was left on for 30 hours. A clogged toilet was fixed by the County. The County noise ordinance requires all noise be reduced by 10pm. The rental agreement states that renters be out of the building by midnight.

Meeting was adjourned around 7:30 pm.

Approved May 16, 2017
